

**University of Baghdad  
College of Engineering**

**Research Proposal Form for Thesis**

**Title:**

**Abstract:**

**Objectives:**

**Plan of The Research:**

**Significance of The Research:**

**Methodology:**

**Outcomes Expected:**

**Application of The Research at Different Sectors:**

**Resources:**

**The importance of the research for Iraqi Society (at least 100 word ):**

**The Current Trend for Scientific Research Universally within The Specified Specialization:**

**Background Publications :( attach {five for Ph. D. and two for M. Sc.} researches related in the field of your research within the last three years ):**

**1.**

**2.**

**3.**

**4.**

**5.**

**The Time Period Expected to Complete The Research:**

**Signature:**

**Name of Student:**

**Date:**       -       -

**Signature:**

**Supervisor Degree:**

**Name of Supervisor:**

**Date:**       -       -

**Signature:**

**Supervisor Degree:**

**Name of Supervisor:**

**Date:**       -       -

**Comment of Assistant Dean for Scientific Affairs and Higher Studies**
