Name: Ashwaq Abbas Aljanaby

Name in Google Scholar: ashwaq aljanaby

Education Email: ashwaq.abd@coeg.uobaghdad.edu.iq

Scientific Degree: Lecturer

- **Published Researches:**

- 1- OFDM System with variable Length
Journal of Babylon – University Engineering 2013
- 2- Comparison of the combining methods used in space diversity.
Journal of Engineering 2013
- 3- A Comparative study of routing protocols in wireless sensor network.
AL-Qadisiyah Journal of Engineering Sciences 2010
- 4- Adaptive Cyclic Prefix Length for Convolutional Code OFDM System
Journal of Engineering 2012

- **Research Specialization:** Communication, Computer Network
