

Pre-requisite Roadmap Surveying Engineering Program Semester-based System

- Core learning activity
- Basic learning activities
- Support or related learning activity

→ **Pre-requisite**
 A pre-requisite is a course that must typically be completed in a term earlier than the course for which registration is attempted, and prerequisites are being checked.

- * The student should complete 4 weeks of Summer Internships to fulfill the requirements of the Bachelor's degree
- * The student should accumulate 240 ECTS (30 per semester) to fulfill the requirements of the Bachelor's degree
